LETTER No. 23336 E4/55-HR Dated 26th August 1955.

Sir,

SUB: Communications - Roads - South Kanara District Board - Uppinangady Town Portion of District Board road - Taking over by Highways Department.

Ref: From Government Public Works Department Memorandum No. 40973 A/55-1 Dated 20-5-55.

1/ The road under reference is only a village road running through Built up areas and has only local importance.

2/ The immediate necessity is to take over only the Major District Roads under the District Boards which are certainly more important and it is under consideration of the Government. If the Major District Roads under the district board are taken over by the Government, the district board can spare more money for the improvemen of the secondary roads like the present one themselves.

3/ It is reported that this road surface was renewed previously at a cost of Rs.2,200/- under repair and an estimate amounting to Rs. 5,500/- has also been sent by the Divisional Engineer (Highways) to the President District Board for Black topping this stretch of road for sanction under repairs grant. The approximate length of the road is 3 furlongs 282 feet. In view of the above the transfer of the above road to Highways Department is not recommended.

Please see the letter from the P.D.B., South Kanara at p.1 c.f. He has forwarded a copy of the resolution of the Dt.Bd. urging the Govt. to take over the Uppinangady town portion of the Dt.Bd. road measuring about three furlongs and to have it black-topped as the main traffic passes through this road. The C.E(H) has reported that the road under ref. with a length of about 3 furlongs and 282 feet is only a village road running through built up areas and that it is only of local importance. He considers that if the Major District Roads under the control of the Dt.Bd. are taken over by the Govt. the Dt.Bd. can spare more money for the improvement of the secondary roads. He has also stated that this road surface was renewed previously at a cost of Rs 2,200/- under repairs and that an estimate amounting to Rs 5,500/- has also been sent by the D.E(H) to the P.D.B. for blacktopping this stretch of the road for sanction under repairs grant.

para 3 p13cf

2. The policy of the Govt. in regard to the maintenance of roads in this State is that Highways and Major District Roads (Group I roads) including municipal portions of such roads should be maintained by the Govt. and the 'Other District Roads' and 'Village Roads' (Group II roads) should be maintained by the local bodies concerned. In pursuance of this policy, the Govt. have taken over about 8996 miles of Group I roads in this State from the control of local bodies and about 2990 miles of Group I roads yet remain to be taken over

from the control of local bodies. These roads will be taken over gradually as they gain improtance and in keeping with the finances of the State.

3. From the position set out in para 2 above it will be seen there is no case to take over the Uppinangady town portion of the Dt.Bd. road from the Dt.Bd. South Kanara as it is only a Village road. The road should therefore continue to be maintained by the Dt.Bd. The P.D.B. may be informed accordingly. A draft Memo is accordingly submitted below for approal.
